

LGAA Meeting Minutes: June 8, 2016, 5:30-6:30, VFW Hall

In attendance: Theresa Mennecke, Ray Grass, Georgia Rainbolt, Marea Breedlove, Jennifer Henson, Roxann Yates, Kelly Palmer, Shaun Perkins, April Stone, Betty Perkins

1. **Treasurer's Report:** Betty reported that we brought forward a balance of \$2,987.10 from May and that with art show and membership proceeds, plus advertising, we now have a balance of \$4,269.75.
2. **Newsletter Report:** Roxann reported that the paper is staying at 10 pages. Next month might include an interview with Dugie Phillips. Roxann is working on interviewing people who know the history of the town. She also said she would ask the LG Post Office if we could put a newsletter stand there, like we did at Harp's.
3. **Georgia appreciation:** We gave Georgia an album with photos of her and her students' work and personal notes from all of us. She said that she will continue to do workshops at her home and look for other ways of making money, now that she is no longer worker at LGHS.
4. **Insurance quote:** We discussed the insurance quote and decided not to vote on it until we get another one, which Jennifer is going to get from Cowan Insurance.
5. **ROMP news:** Shaun described the new poetry labyrinth at ROMP. She also reviewed the chalk art contest that ROMP sponsored on Founder's Day, which has 42 people entering it.
6. **Children's Theater:** Art camps are ongoing, with 6 attending this week. April expects 45 kids to attend the theater camp. At the LG play on July 8, the Boys and Girls Club will probably be running a snack machine. Shaun volunteered to help with the event.
7. **Miscellaneous:** We discussed possible places for an LGAA office/gallery. Marea said her grant-writing class was going well and she is looking into the Community Facilities grant from the Department of Agriculture. Ray is still working on the Chamber sign that will be posted at the west end of town. Shaun noted that we needed to get some kids interested in the art camp sponsorships the LGAA is offering.
