Need to plan opening, introduction, closing, logistics, reception, etc. Ideas needed.

Looking ahead: October Smithsonian Water/Ways exhibit. We will need help cleaning and getting Ingram's Rod Shop ready to host the exhibit. Then, we will need volunteers to work it when it is open October 21 - December 8 and people to be in the Chautaugua and help with related events.

A print out was available to help with ideas for other events to go along with this exhibit. Among the things going on, we are looking for people to tell stories of events of historical significance of the local waterways through re-enactments for the "Wonders of Wonder City" Chautauqua.

VFW is waiting on the architect on the building work.

Motion to adjourn by Kelly and 2nd by Roxann. Adjourned to go to the reception for Winnie Childers.
